

# We commit to your safety

The safety of our crüe has always been our top priority and we have implemented new procedures to comply with Responsible Restart Ohio.

**HERE ARE THE CHANGES YOU CAN EXPECT WITH OUR RE-OPENING:**

## YOUR HEIGHTENED DEEP-CLEANING PROCESS

### **Top-grade EPA-approved disinfectant & more frequent cleaning.**

Staff will use disinfectants proven to kill viruses like COVID-19 in all common areas before and after class. Longer times between classes will allow for staff to thoroughly disinfect each Iron Maiden and all high-touch surfaces.

COMING SOON: Electrostatic Sprayers .

These sprayers use electrostatic charge that allows the droplets to attract to the surface, rather than float in the air. This touchless electrostatic spray “wraps around” surfaces & objects in 360°, providing 3x more coverage in the same amount of time than traditional spray bottles, buckets, and rags.

### **TOUCHLESS hand sanitizer stations**

Foot-pedal activated stations will greet you upon entry to the studio. You must sanitize your hands before entering the studio. We will also have additional sanitizers throughout the studio.

### **Studio wipes**

EPA-approved wipes will still be provided before and after class.

### **CHECKING-IN**

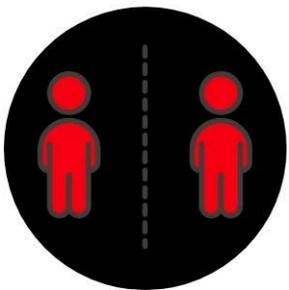

### **Hands-free check-in**

Let our front desk staff know that you have arrived and they will check you in for class. Please arrive 5 minutes before class. No late arrivals will be permitted.

### **Social Distancing Practices**

Our staff will work to get you in and out of the studio while maintaining social distancing practices. Floor markers will help guide you around the studio while maintaining a safe distance.

### **Iron Maidens**

All Iron Maidens will be moved to allow for social distancing. This will look different at each studio ensuring that you have a safe class.

## High-touch Amenities

To limit hand-to-hand contact, we have removed hairdryers, deodorants and other amenities from the bathroom. Should you need something, we will have these available at the front desk.

## Lockers

Please bring only what you need for class. Our locker availability will be limited. All small personal items can be kept with you on your Iron Maiden. We will no longer have a lost and found.

## Feeling sick?

If you have a cough, fever, or symptoms of COVID-19, please do not come to the studio until you're symptom-free and fever-free for three days.

If you feel unwell or have any concerns about coming in, please stay home and stay safe. We'll happily add the class back to your account, and welcome you back when you're healthy.

**We will restart all class packs and memberships on the opening day of each studio. If you wish to remain paused, please email [info@corus45.com](mailto:info@corus45.com) ASAP**
